

## Plan Management *Specialists*

Our Plan Management Team pride themselves on helping participants get the most out of their NDIS funding budgets.

### Why choose *us?*

As a registered not-for-profit organisation, profits remain local and are spent improving the lives of people with disabilities.

Our experienced staff manage funds on your behalf, so that you can enjoy your plan benefits

You can access your budgets in real-time with the Brevity Care App

We are a locally-owned business with a friendly, highly skilled team

### Our *services*

Fast, efficient and personalised service

Provider invoices paid in 5-7 business days

Complete transparency at all times

Financial reporting to industry guidelines

# Our *New* Brevity Care App

For *Your*  
NDIS plan

Headway Gippsland is offering access to Brevity Care Software for our NDIS Participants and Support Coordinators.

**BREVITY**  
CARE SOFTWARE

## Participants will have access to:

- **Notifications** and **documents** shared on the app
- Plan Management **period/expiry dates**
- **Budgets of your bookings** - for Plan Managed bookings and Support Coordination, including amount spent/remaining
- Optional **approval of supplier invoices** processed by Headway's Plan Management team

## Participants receiving 1:1 Support Services can:

- Monitor the **plan dates** and **available funds** under funding categories
- See details of upcoming and completed **support worker shifts**
- **Report incidents** directly to Headway Management

## Support Coordinators will:

- Have access to these details for all of their Headway participants
