DISABILITY SUPPORT
SERVICE PROVIDER

PLAN MANAGEMENT

Plan Management

This service helps you get the most from your NDIS plan. A plan manager will pay providers for supports delivered, help you monitor your funds, and provide financial reporting.

What do we do?

Our experienced staff manage funds on your behalf, so that you can enjoy your plan benefits and live your life

We can make your NDIS plan happen, and help you get the most from it

We put you first and support to you make your own decisions

What don't we do?

We don't overcomplicate things. We keep it real and offer complete transparency.

Why choose us?

- ✓ Fast, efficient and personalised service
- ✓ Provider invoices paid in 5-7 business days
- ✓ Communication and transparency at all times
- ✓ Financial reporting to industry guidelines
