Registered & Unregistered Providers

To support you with optimal choice and decision-making, Headway Gippsland Inc. may, upon request, provide you with contact details of unregistered providers to fulfil your required service. This might include garden maintenance, repairs, therapy, or organisation.

We will try to identify registered and unregistered options wherever possible.

To be very transparent, we want you to know that 'unregistered' providers are not subject to the same rigorous screening processes as registered organisations like Headway Gippsland Inc.

Should you choose to engage an unregistered provider, we cannot accept responsibility for any incidents that may occur.

Headway Gippsland Inc. recommends that for your confidence, you ensure you request evidence that the unregistered provider meets the minimum compliance requirements of the NDIS disability Worker Screening process, which includes criminal history checks.
