Summer Safety

A warmer-than-average summer is expected across Victoria, with an increased fire risk in many parts of the state. Recent spring rain has increased soil moisture and green growth in many parts of the state. However, long-term dryness continues across south-west, western and central Victoria, and south-west Gippsland.

These conditions have caused a build-up of dry and dead vegetation. This increases fuel loads and makes fires more likely in the coming months.

An increased risk of fire is forecast for forest areas during January and February 2026.

Areas at higher risk include:

- the far south-west
- northern Otways
- Mt Buangor State Park
- Wombat State Forest and Central Highlands
- the Mornington Peninsula and south-west Gippsland
- north central (including Kinglake and Yarra Ranges)
- parts of Eildon.

The rest of Victoria can still expect bushfires, especially on hot, dry and windy days.

Emergency services are well prepared and are closely monitoring conditions. They are ready to respond along with aircraft positioned across the state for the higher-risk weather season.

These include planes and helicopters used for water bombing, air supervision and aerial intelligence which can be moved quickly, according to fire risk.

Fire preparedness is everyone's responsibility. You can reduce risk by taking simple steps.

Get ready:

- Make a fire plan and practice it.
- Check daily Fire Danger Ratings on the VicEmergency app or website.
- Understand the 3 levels of warnings and what they mean.
- Prepare your property by:
 - reducing vegetation around your home
 - mowing lawns
 - clearing gutters.
- Stay alert and informed about changing conditions.

Delicious Recipes to Try This Summer!

Salami and Broccolini Frittata

Ingredients

- 8 eggs
- 80ml (1/3 cup) thickened cream
- 70g (1/2 cup) pre-grated extra sharp parmesan
- 1 tbsp olive oil
- 1 bunch broccolini
- 40g pre-sliced pepperoni salami

Directions

• Step 1

Place a 25cm ovenproof frying pan over medium-high heat. Preheat grill on high. Put the kettle on.

• Step 2

Whisk together the eggs and cream in a jug. Season and add 50g (1/3 cup) parmesan. Once pan is hot, add the oil and swirl to coat. Pour the egg mixture into pan and cook for 3 minutes or until it starts to set around the edges.

• Step 3

While the egg mixture cooks, cut the thicker broccolini stalks in half. Place the broccolini in a large heatproof bowl and cover with boiling water. Set aside for 1 minute or until bright green. Drain.

• Step 4

Arrange the broccolini and salami on top of the egg mixture. Sprinkle with the remaining parmesan. Place the pan under the grill for 5 minutes or until set and golden. Season and serve.

Christmas Crack

Ingredients

- 6 Arnott's Salada Original Crispbread
- 160g (1 cup, lightly packed) brown sugar
- 125g salted butter, chopped
- 2 x 180g blocks dark chocolate, melted
- 100g white chocolate, melted
- 50g green and red M&M's Minis
- Silver cachous, to decorate

Directions

• Step 1

Preheat oven to 180/160 fan forced. Line a 20 x 30cm slice pan with baking paper, allowing the paper to overhang the 2 long sides. Place crispbread over the base of the prepared pan in an even layer.

• Step 2

Combine the sugar and butter in a small saucepan. Cook, stirring, over medium heat until butter melts and the mixture is smooth. Bring to the boil. Cook, stirring, for 30 seconds or until thickened.

• Step 3

Pour the sugar mixture evenly over the crispbread. Place in the oven and bake for 5 minutes or until sugar mixture is bubbling.

• Step 4

Pour the dark chocolate over the crispbread and use a palette knife to smooth. Set aside until set.

• Step 5

Drizzle over white chocolate and sprinkle with M&M's and cachous. Set aside until set completely. Break into pieces to serve.
